“ My thoughts and prayers are with the family and friends of Mr Earp. While I only knew him briefly, he was obviously a very genuine man who cared a great deal for his family. It was a pleasure to meet him and I'm glad our lives had a chance to cross.

“ Even though, I only knew Bro. Guy for 1-1/2 years we got to be good friends at church & choir. We would always say when he saw me "Hello Joe" in a deep voice telling me he wish he could sing those low notes in the choir like I did.

I had the chance to also be his Sunday School teacher for a couple of months and he always sat right next to me, so he could hear me, when he didn't have his hearing aids.

You will be greatly missed, but know that you will be waiting for us in Heaven to meet us when we get there.
