“ *Simply put, you are my Uncle Jim, and I'll love you forever. You put a smile on my face my whole life, and treated me like I was one of your kids.*

“ *I consider myself "Blessed" to have an Uncle as great as My Uncle Jim was. Our trips (many) to Arkansas as kids were always highlighted with the knowledge that we would be spending some time at "Uncle Jim's and Aunt Inez's"*

Our Uncle treated each of us with time, a great commodity as we all know. He loved having us there and we always felt secure there despite the fact we were in the woods with the all the wild animals and that. :) My wife (Desiree) as well as my 3 kids had the privilege of meeting Uncle Jim 20 years ago; of course Uncle Jim had to give my kids a ride on his blue tractor. The kids were all smiles!

Upon arriving to Arkansas this week, I got reacquainted with Uncle Jim's and Aunt Inez's kids, grand kids and great grand kids. The families are a testament to how Uncle Jim lived his life.

As I walked up to say good-bye to Uncle Jim the final time he seemed to say to me "not good bye, I will see you later".

Love to all the families of Uncle Jim and Aunt Inez, our prayers are with you.

“ I want to thank all of you for the wonderful words spoken for Dad. He has left many friends and loved ones with good memories. There is a time for grieving and a time to celebrate our eternal life with the Lord Jesus Christ. Dad is with the Lord and I look forward to walking the streets of gold with him again.
GOD BLESS you all,

“ Mr. Bittle was one of my Most favorite customers. I looked forward to seeing his smiling face every month. He always gave me gardening and pruning advice which I desperately needed. He asked about my daughter every month and looked forward to seeing the new pictures I had of her. That meant so much to me. He is such a wonderful man. He is going to be so deeply missed by me and everyone else at the office. Every time he would leave he would say "Well, Lord willing I will see you next month." That is exactly what crossed my mind when I heard of him passing. He is now with the Lord. Though we will dearly miss him we can rest assure that he is in a MUCH Better Place now! To all of his family and friends I would like to send you my very heart felt condolences. Mr. Bittle will be greatly missed!

“ *Sissy, I was saddened to hear of Jim's passing. It was a privilege to have been your previous pastor. You and your family, were, and are a vital part of The Mt. Pisgah United Methodist Church and the community. God had a special purpose for you and Jim. He has blessed you both all these many years. May God comfort you in this time of your loss. You are so precious.*
