“ I am one of Sgt. Bowers' "boys" from his days in the National Guard. Harold exemplified what a good non-commissioned officer should be: he expected (and got) the best from his troops while always looking out for their welfare. He was a great role model.

You have my sympathy and prayers.

“ We were so sorry to hear of Harold's passing. We were neighbors of Margie and Harold for several years while we lived in South Boston. We shared a lot of good times over the years enjoying Nascar Races among other things. Harold was a wonderful person and will surely be missed by everyone who knew him. He is in a better place now, looking down and watching over all of us. We are so sorry that we cannot be there to say goodbye, but know that Harold will be missed but never forgotten.

*Love,
