“ Christene, You know what? It sucks and I hate that you have to go through this, but I'm here for you and I'll still be here for you when you want to cry or when you're angry. If you need to yell about it to feel better, I'm here. If you want to vent, I'm here. And, if you need a laugh, I'm here. I may not understand what you're going through, but I'm here to listen, and I'll still be here days or years from now. Love you. Lisa
