“ :oved the picture! I listed friend as relationship but feel like one of the family because of all our times together. You all mean a lot to me and my heart goes out to you as you face this void but know your strong faith will be there as it was through his illness. I am still laughing as I think of the glasses he was wearing and feel so blessed I had that afternoon with him

“ Caring for Mr. Raney was an honor. It was such a blessing and beautiful experience to witness the support and love of such a wonderful Christian family with their loved one at the end of his life. I was heartbroken to hear the news today. All of you are in my prayers.
