“ Powell Funeral Home & Cremation Services created a Tribute Video in memory of Harvie Dale Watson

Powell Funeral Home - June 26, 2017 at 09:28 AM

“ Oh my goodness. I don't know of anybody that went to BKHS and had Harvie as a bus driver who didn't just absolutely adore him. I had many spirited verbal sparring matches with him about this or that...just to pick at each other and have a few laughs. He was a friend to all. The world lost a bright, bright star, but not doubt it will continue to shine brightly from Heaven. --God bless to all of the family.

“ Harvey was one of the kindest Happy go lucky guys I've known. I feel blessed to have met him. As my Mom has said, Harvey was a ray of sunshine in our family. He will be missed dearly.

“ *Mr. Harvie always was such a joy to have as our bus driver of special events. He always made us feel special at competitions because he wanted the details of our performances. He made special memories for many of us while in school...he is missed.*

*I agree with Anneda. Harvie made us feel special. There was no one like him. He genuinely cared about the students. I am so glad I had the opportunity of knowing him.*
