“ *Pauline was a nice friendky lady, who enjoyed talking Dolls anytime. Shirley Pulley brought her several times to our monthly meetings so she could enjoy the Doll programs we presented. She will be missed, in the Doll community too. I am happy to have known her....she was an authority on Modern dolls and willing to share her knowledge . She will be missed.God Bless her family.*

“ *Aunt Pauline was a very sweet aunt. I enjoyed taking my mother, Audrey Gill and my Aunt Edna Parker to visit her. I enjoyed hearing them tell about the "good old days". Sometimes it sounded like different events because they would each remember something differently.*

“ *Mrs. Sublett was a very sweet and devout Christian lady. She loved her dolls and told me all about them as she showed me. I sew, so I asked her if she made some of their clothes, and she did. Once I had occasion to buy breakfast cereal for her, and was surprised when she requested Applejacks. She will be missed.*
