“ Our sincere expression of sympathy goes out to the family. Hazel was a very giving and hard working lady. She reached out with compassion to others. When I was at the hospital and getting close to the loss of my father she came to the hospital, brought food and stayed with my father so that I could leave the hospital for a couple of hours. I always remembered her kindness shown during that difficult time. Our prayers are with the family in this time of loss. Love, Jerri and Butch
