“ It has taken me days to write this, mostly because I can't believe it still. Its rare in this earth to meet someone and just know that person was suppose to be in your life. Heide was one of those people for me. From the moment we met, we worked, which is good since our husbands are childhood best friends, it would have sucked if we hated each other. When I talked about Heide, people would say "well who's that" to which I would answer, she's me with more guns, more dogs and a southern twang.

I am so so so sad for you Pam. I wish I could have been there to hold your hand or give you a hug, but am so glad Lance could come and do what I wasn't able.

Troy, the pain you are feeling takes my breath away because I know nothing but the passage of time will ease it. My heart hurts so much for you brother.

I have reached for my phone already countless times to send a funny picture or text. Pictures of the kids or my crazy spoiled dog. I'll love you forever my friend.

“ Pam and family, .
We are so sorry for your loss. We remember Heide as a vibrant teenage girl, so full of life and with a true gift of gentleness with the animals she loved so much. We have good memories of time spent in our home and the sweet min-pin she helped rescue at Stotts. She knew I wanted one and helped me get our Mitzi. You have been in our thoughts and prayers and we will continue to pray for you in the days ahead. May God grant you the strength to face the difficulties this tragic loss brings to you lives.

“ *My heart is so sad! Heidi has been my dog groomer since we moved here in 2013. She was more than just my pups, Piper Madison & Bentley Bo's, groomer, she was my friend. Even though I only saw her every other week, she treated me with such kindness and my pups loved her. We shared a lot of good talks, and my heart has such an empty spot in it. I know she struggled so much with her health over the past several months. She was such a sweet kindred spirit, and I will miss her so much and so will my pups! My thoughts and prayers are with her husband Troy, her family, and her beloved pets.*

“ Pam & husband, Sam & Winnie: I hope you remember me, pat jackson. Danny was my husband and h.t. (Hugh) & ruby Johnson were my parents. Dad and Sammy used to work together st binghams and Danny and Sam horses around a lot. I haven't seen Heidi since she was a toddler but I know she was the light of your lives. She had the infectious, light up the room smile that your family is blessed with, especially you pam. Life is never long enough on eArth but especially when parents lose children. It can't be long til we reunite with those who have gone before. Hold on to Jesus is all we can do through this pain. God bless , love znd I'll continue to pray for my dear friends who have meant so much to is in past days.
