“ *Mary Lorraine and I are thinking of you.*

---

**John Howerton** - October 26, 2009 at 12:00 AM

GS

“ *Aunt Helen was always my favorite aunt. I went to stay with her one summer and had a ball! She had no girls and seemed to think I was special! I thought she was special, too. She rubbed my back at night, took me to church and made me the most delicious fried chicken I'd ever eaten. Even though I didn't see her often, I will miss her.*
