“ *May God's love and comfort surround you at this difficult time. Mrs. Rice was an awesome lady and I enjoyed taking care of her and visiting with her when she would have to come to the hospital. We talked on her last visit and she told me that she was ready to go to her heavenly home and that she prayed God would give you, her family, the comfort and strength you need because she would be in a better place full of life and without pain or suffering. She always had a smile no matter how she felt and I am blessed to have known her.*

With sincere sympathy and prayers,
Christina Harrison

“ Clay,

What can someone say at a time like this other than I'm sorry for your loss. I didn't know your Mom that well, but what I do remember is that she was kind and warm and a true southern lady. Also, she was a great cook and she didn't seem to mind us shaking the walls with loud Rock-N-Roll back in the day. My thoughts are with you and Carla and the rest of your family during this difficult time.

Sincerely,

Vince
