“What a wonderful sense of humor she had! I have so many memories of sitting in the living room laughing with her and Rachel. I was blessed to know her and have her as an influence in my teenage years. She was such a strong Christian example. I loved her so very much. I know she is watching over her precious family through this difficult time. Love and prayers for you all.

“My dear, dear friend, Lisa,
Words cannot express how sorry I am for the loss of your precious mother. She was so, SO special. All of you are living testaments to the wonderful mother she was. I wish I could be there to hug you and do something to help make things easier. Know that you all are in my thoughts and prayers. God bless all of you. She will continue to walk with you and watch over you every day from a place where she will only know joy and happiness.
I love you so, so much my beautiful friend.
