“ Herman made me laugh every single time I saw him. We did huge cookouts together and he was the one that took this city boy duck hunting for the first time. He certainly made this world a better place and will be missed.

“ Our thoughts and prayers are with you and your family. Herman was very kind and gentle friend to a lot of people. He and Leon were a lot alike when it came to meeting people. They never met a stranger in their eyes. He and Leon are rejoicing together again. My deepest condolences.

“ What a Great Great Guy!!!! He has been a Huge part of Youth football since my 22 year old son was in the 3rd grade and most likely before then. You could always count on his wisdom, patience and big time effort to make things run as smoothly as possible. He was one of the best people I have ever been around in my life. If there is a youth program in Heaven then Herman is on the Board of Directors and without a doubt making out the schedule. He will be missed by all of us!!! I am Thankful that he now has a new body to replace the one that has been giving him problems for such a long time.

We will miss you Herman!!!

“ *Herman was a tremendous human being! I had the opportunity to work with Herman in the 90's and he was as genuine of a man as you could find and always went out of his way to help others. He made such a positive impact on me that I still tell some his stories to this day! Rest in Peace Herman!*

*Tammie and family-
I am so very sorry to hear about Herman's passing. I think about all he has done and contributed to the community! I also have very fond memories of him "standing watch" outside all our rooms in 1979 when we went to play in the State Tournament and he was our manager. He made sure we were all safe. You are in my thoughts and prayers during this difficult time.

I was Herman's fourth grade teacher. For Christmas that year, he gave me a small cedar memory box. I still have it.
