HV and Lynda were the best neighbors for my parents. HV was always helping with something and when they got down, HV was right there to help and to visit. When grandkids visited mom and dad, HV would get out the play equipment he kept for his own grandkids, for them to enjoy. He visited mom and dad in the hospital and always brightened their day. He will be missed by all of the neighbors, and by my sister and me, as we grew to love HV and Lynda like family. Our love and prayers go out to Lynda and her family.
