“ Dear Doug & the Bell Family, I was very sad to hear of the passing of your dear father. Houston was a great husband, father, grandfather, great grandfather and friend to many who knew him. He fought the good fight for over 96 years and will be greatly missed. I am thankful for the opportunity to know Houston. It is obvious that his love for his country, the great outdoors and especially the love for his family have been role modeled for many generations of the Bell family. Please know that Heaven has received another saint. Dianne and I have been praying for you and your family to receive the Lord's comfort and peace during this difficult time. The great news is that Houston is pain free and in the awesome presence of his Savior. Bill and Dianne Farris Psalm 116: 15 "Precious in the sight of the Lord is the death of his saints." “ Always joking. Remember so many good times. When we visited Arkansas, and I was in 7th grade, we went into the woods. The ticks were bad and Uncle Houston said they were no bid deal, but I wouldn't pick them off, I thought they were awful. I remember eating watermelon in dad's back yard, with him. I was always so excited to see him and his family. He took life as it came and made the most of it. Was glad he was my mothers brother, and my uncle.

“ We enjoyed meeting Houston when we drove cross country years ago...the Bell family is all spread out. I gave him a very old family photo then as he was the oldest Bell. We always enjoyed reading letters from him telling us about Doug, the county fair and his flowers. He loved his family very much and was against war ever happening again. Our hearts and prayers are with you..wish we could be there with you tomorrow to celebrate a great man's life.
