“ Poppa Guy was a great man! I will always remember the many nights Autumn and I would spend the night, hang out at the river house, go to the Lake and stay in the trailers, eat crackers with butter and pickles and many more memories. Poppa Guy made some great smoked meat....he was awesome on the smoker. He will always be remembered as a kind, gentle, compassionate, hard working man. He was dedicated to his family and career where he was an excellent engineer. I wish I would have listen to dad when he told me to come and visit....I waited too late and I am so sorry for that! My heart hurts but I know hes in a better place. I love you Poppa Guy! You will be missed but never forgotten!
