“ I am sorry to hear of the passing of Hunter. Hunter and my late husband were friends for many years. Edith and his children were his pride and joy. He was a good man and will be missed.

“ Hunter and Edith were the finest neighbors one could wish for. Hunter would do anything to help, but never pushed. He loved to garden and brought our family wonderful fresh treats-greens, tomatoes, cucumbers, pears, strawberries, an endless bounty. When Jo Ann's Dad moved in with serious health problems, Hunter made sure Dad got special goodies. "For your Paps," he would say. He never failed to inquire about Dad nor about Jim's Mom during her illness. For over twenty years he treated us like extended family. His work ethic and good cheer were inspirational. Hunter and Edith were an amazing couple and our family was so fortunate to know them. He was a special man and we will miss him.

“ Hunter will be missed at the Ten and Ten Hunt Club. The members present for this year's deer season upon hearing of his death had a toast in his honor and told their favor story about him and his love of hunting and the camp.

“ I only knew Hunter for several short years, but he made a very big impression upon me, and a significant impact to my life. His guidance, and steady hand, will be missed in his hunting club. I will miss his youthfulness, and sense of humor, and his ability to cut more wood than any three men I know.

“ I'm sorry to hear of the passing of Hunter, it was a pleasure to have known and to have worked with him. I will always remember the stories he told of when he worked with my grandfather at Crane Rental Co.

“ Dear Family,  
My thoughts and prayers are with you during this difficult time. I have many fond memories of Hunter at the 10 & 10 hunt club. He knew the woods and entertained us with many hunting stories. I remember the evening we were discussing the weather conditions and where to stand when he suggested I hike back to an area about a mile from the cabin, numerous deer came out that afternoon and I took a nice buck. I was grateful for his advice and will miss his presence at the cabin.

“ *Dear Family*

*I want to express my sincere sympathy for the loss of your loved one. You can be assured that comfort and hope are found in the pages of the Bible. Revelations 21:4 speaks of a time when sorrow will be a thing of the past. I hope this message brings you a measure of hope. Please take care of yourselves.*

*Sincerely*
