“ *Karen & Ricky, We will be thinking of you and your family at this difficult time. I am getting over hip replacement surgery and won't be able to attend but wanted you to know we are thinking of you.*

“ *Inez has always held a special place in my heart. She was my Gunga's best friend... my Gunga was my favorite grandma; Elizabeth Lacks. Gunga was on the phone with Inez in 1993 when she had the stroke that took her life. Inez and all the sisters have always been special to my family. She was a very sweet soul. Praying peace, strength and comfort to the family.*
