“ Vicky, I just saw this on FB. So sorry to hear of your mom's passing. My mom and S C's mom were both 88 when they died, too. You and your family are in my prayers and you have our deepest sympathy.

“ My sincere sympathy to each of Irene's family. I worked with her at Sears in South Boston back in 1956-57. A long time ago but I remember our friendship well. We lost touch over the years but I will always remember her. God Bless.
