“ I was so shocked and saddened to learn of Irene's passing. Only a few weeks ago we shared a seat on our church bus while on a trip to LR. Irene told me so much about herself as a young woman, about playing basketball and how many points she scored. She spoke of the tornado in Judsonia and the friends she lost. It was a great time. Irene was very quiet in Sunday school and very reserved but I hold dear the memory of her recently coming up to me in SS and giving me a big sweet hug. I will miss her pretty smile. I know what it's like to give up one's mother and that void will always be there but when you have good memories, that's a gift to always treasure. Remember, nothing is ever lost when you know where it is and we all know Irene is with her Lord.
