“ Oh what a character. He and I could battle our wits and pick on each other but it was always out of love. He drove the bus at school for a few years. This is one single man in this town who could make me laugh. He was so much fun to be around. He never lost his laugh or his smile. May he rest in peace. My heart is breaking with this loss. My prayers go out to the family.

“ Dear family I have lost a very dear friend. Jack would light up the room when he came in I remember when he would come into the bus shed he always made all of us laugh. I will miss him and I know that you all will miss him dearly but you know he is no longer in the pain he ha been in the past several years. It will be hard but know that God is there to get you through this hard time.
