“ Uncle by marriage.... But I can say I truly loved this man! I can't believe it's been 40 years since I was introduced into this family....he was a hard worker... Wonderful provider for his family... Great example of what a man should be... Loved and took care of his wife ... (in sickness and health) he held true... And he was my friend... I will miss him. May you all find God's peace and comfort during this time... Love you
