“ I am so sorry to hear about your loss. I worked with Jacob off and on for the last three years. I watched as he was transformed into a kind, loving, polite young man. It was a pleasure to have worked with him. It's funny that I used the word 'transformed' because I know how much he loved transformers. He was the only one that could figure out some of the transformer cars I had. He will truly be missed. Your family is in my prayers.

*“ Dear Brian, Kristina, Amanda, and the rest of the family... my heart has ached since hearing of the awful tragedy of Jacob's death. When Krissy first came in for her Ob visit with her rainbow brite hair, and friendly conversation, I was impressed with the close bond of this family.
I am so very, very sorry for your loss.
May God bless, and comfort you!*

“ Dear Family,
WE just heard the horrible news about your sweet boy, Jacob.
Being a family affected by autism, it is devastating to hear of
Jacob's passing.
We want you know that we are thinking and praying for your family
and the people of your community care.

May God, family and friends help comfort you through your pain.
