“ Words can't express how much this breaks my heart. I had so much love for him, even after things didn't pan out as we had hoped. My son absolutely adored him and he was such a wonderful person in our lives...

“ I had the privilege of working with Jake everyday. He was such a happy person. He would always go out of the way to make you smile. He really enjoyed talking about Hotrods, guns, and his girlfriend. The work place just will not be the same without him. My family and I will keep you all in our prayers. I just wanted you to know that you should be very proud to have a family member like Jake. God bless you.
