“ I have known, and worked with Bill for over thirty years, and I love him like a brother.
He was one of the most likeable individuals I have ever known and was liked and loved by everyone he met.
I honestly don't remember ever hearing anyone say a negative word about Bill. That's the kind of person he was.
Easy going, Fun Loving, extremely likable, and totally dedicated to family, to his job, and to his friends.

This is a tremendous loss for all of us who knew and loved him and he will be missed so terribly much by all of us.

Our prayers are with Margaret and the family for peace and comfort during this very sad time.

“ *Hootie Hoo!!! We are truly going to miss you, your handsome looks, contagious smile, great sense of humor, strong will, loving heart, and devoted friendship. We will cherish the memories of our times together, both here in the states and those in Hawaii. You will always be Mikie's brother from another mother, Linda's #2 son, & John's big brother. We picture you sitting in a Limo styled golf cart with a bag full of gold plated clubs. The Heavenly Golf Course, HGC, is very lush & green. There are mountains of cigarettes and cigars surrounding the course. As you sit next to the #1 Tee Box, you are sipping on a tall Captain Morgan & orange juice drink for breakfast. During the round, and visits to the 19th Hole, there is an endless supply of Jack Daniels & Coke. Until we meet again, may you rest in eternal peace. Hit 'em long and straight! "Hootie Hoo, You Are The Man!!!"*

Mom (Margaret), Sheila, and family, Our thoughts & prayers are with each of you. May your precious memories provide comfort during the coming days and in the future. God has welcomed a unique angel into Heaven who will forever be smiling and watching over each & every one of us.
