“ *James never failed to make me laugh. He had a gift of making all things come with a bit of humor. I'm so sorry for your loss, truly. It's been a few years since last I saw James, but today I still talk about it at times, because I remember the laughter he gave me. God bless his family and dear James, May you Rest In Peace. 🙏*

“ *He was our seventh grade football coach and he was a school bus driver. I think he tried to help out the school in a variety of ways. He had a lot of patience with me as a very poor football quarterback as myself.*

“ Coach Brimer convinced me to participate in a speech contest that dealt with the First Amendment of the United States Constitution when I was in high school. I remember how encouraging he was in helping with putting the speech together, guiding in how to speak without notes and really putting passion into it. We made it through several rounds and just missed out in making the final round of three at the state level. I always appreciated how encouraging and supportive he was in allowing me to give a witness to my faith through a very unique avenue. I am praying for his family.
