“ Dot,

What a blessing James has been to so many people in so many ways. I thank our Heavenly Father for sending such a man to you and the beautiful life you created together. I thank you for sharing your beautiful lives with others so freely. I look forward with joyful anticipation to seeing him and other precious ones again and most of all, seeing my Lord and Saviour Jesus Christ, who made it all possible for us. What a day that will be! Until then, I will live the life that He has given me. Run the earth, but watch the sky.

You know how much I love you guys and I will do a better job keeping in touch with you. You have my cell number, and please call me whenever. You are so dear and I am so glad to call you my sister.

Please walk in the light and do not get sad. Sometimes we fall down, but we get up, brush ourselves off, and move on. One day, we will be in Heaven and grieve no more. Keep looking up.

You are so loved by so many, and I am one of them. I hope to see you soon.

Your brother,

Drew

“ Dot, we love you, we loved James. God is good, God is great, and I know you a leaning on his everlasting arms. Mark and I will surely miss our talks with James and our association is a lost without him. He was a man of God and we are so bless with his and your friendship. We are here for you and will be praying for you and the family during this time of sorrow but remember behind ever cloud is the sunshine, behind ever rain there is a rainbow and this is what we all remember when we lose someone we love. God bless you with his peace that passes all understanding. Ann
