“ I was so saddened to hear of Jim's passing. We were co-workers at Eaton (Vickers) for many years. Jim was one of the finest people I have ever known. It was a pleasure and honor to work with him. My sincere condolences to his family and friends.

“ Jay, our prayers and thoughts are with you, your brother, and your family. Your dad and mother were some of our earliest friends when we moved over 100 families to Jackson from Detroit in 1975 for Vickers. Karen and I were often guests at their house along with Dick Murphey and Dave Walker. The first year we went back to Detroit to visit family they took care of our family dog, Thumper. Your dad and I had many discussions on many subjects. The last time I saw him was in the mid 90's in Searcy at a plant tour. He was a good man.
