“ This hurts my heart, but brings back some of my favorite childhood memories- I remember being so little and going with Dad sometimes to wherever they were playing music, James was far beyond talented when it came to guitar and banjos, I hold those times dear to my heart. I'm so very sorry . He was always so sweet and treated me just like one of his own. May the Lord keep you all close and provide you with comfort and peace . Sending so much love.
