“ This is Robert Lyons. Bobo was one of the first people I met when I came to magnolia in 1978. I never recall him being at a loss for words. But he was smart and could always help in some way. I am sorry for his family's loss. Prayers during this tough time.

“ Bobo was a dear friend. He was my crew leader, coworker, and person I looked up to. Myself, Ron, Al and David had many laughs and ate a lot of fish that Bobo cooked working nights at Ethyl. I share your loss.
