“ Well James it has been 7 years now, and I still miss you now just as much as I did then! I may not cry as much but the crying I still do. Your little brother has gone on up there to you now and it felt like I was going through yours again. But oh God how I really miss Keith too. I love you just as much as I always have. I know your running around up there with Jesus and enjoying your new body. I'm selfish and I'm sorry but I would love to have another hour with you to tell you how wonderful you was to me. I know now you always loved me unconditionally. And you are right again nobody has ever loved me the way you have.

“ Karen... I am sorry for your loss. Mark and I have you in our thoughts and prayers. The first memory I have of James is from school. He kept me entertained and made school much more enjoyable . I will miss him terribly but I will always have those fond memories of him. If there is ever anything that I can do to help you please let me know. I love you Karen.

“ Karen, son and family,
I am so sorry for your loss, but know that God has his arms wrapped around him now. I know right now it is hard on the family, but it will get better as time goes by. But know that you will always carry him in your HEART, and in your MEMORY.

“ James just wasn't a brother in-law, he was a brother. He would make you laugh even in the sad times. He loved my baby sister so much and I know she loved him.

We will miss you James but you are free of pain and running with the angels.

RIP my dear brother.
