“ My dearest friend Barbara I was so sorry to here this about Darrin I can remember first meeting you and James was always working off and your life was Tammy and Darrin. And so young and I know he also had children as well. I am praying for your family and more than anything I've seen what happens when parents must bury a child it's just life altering and will keep you in my prayers as forever your hears will bear the loss and for whatever reason God took him on home. Please remember to take special care to be grateful for the years as he blessed your life and was your life. My heart goes out to you and James ass well as sister Tammie and his family words can never be said to make this any easier and I only pray God's hand touches your broken hearts.
