“ I can't begin to imagine how myself or the ones at this office who  
loved Jim so much, will ever make it without him here. I only had the  
pleasure of knowing Jim since Sept. 11, 2000 when I transferred  
here from Stuttgart. In the past six years, I grew to respect him not  
only as a supervisor but as a person. He was good people and I will  
miss him but now my prayer is for his family and friends. Please  
know you all are in my thoughts and prayers.
