“ Please accept my deepest sympathy in this time of grief, belated as it may be. Being quite a bit younger I did not know him well though I am sure that in my youth I had met him. His parents were my great uncle and aunt and we spent a fair amount of time at their home and they visited my grandparents frequently. Until 1961 my grandparents as well as my parents lived on the Harmony Road, Great Bend Township PA. James was a a little younger than my father who also left this life at 87 in 2011. May God's blessing and peace comfort you during this difficult time.
