“ Jimmy was a very kind & gentle man. Many loved him & respected him & looked up to him in more ways than one. I remember Jimmy at a younger age & he was a lovable kid I enjoyed the time I had with him years ago. He was like a son to me back then. He will be missed! Rest In Peace, God has another angel in heaven with him now. 😊

“ Our condolences to all of you. Randy and I greatly respected Jim, and we both appreciated his friendship . James worked the housing unit I was in when I worked there at Grimes and looked out for my well being better than anyone did. I was a female locked down alone with a barracks full of men, and he helped keep me safe. I will never be able to express enough gratitude and blessings. He always was trying to get me to listen to his band Slipknot. What a terrific man. Blessings...

“ *I have observed Sgt Staggs in the halls of the Grimes unit many times over the years we have worked there. He was always a guy with a smile on his face and would give you a pat on the back and make your day a Lil brighter. You will be missed Sarge. Condolences to the the family. Sgt Staggs was a fine man and a fine officer, and it was an honor to get to work with person like him. Sgt Lantz Goforth*
