My Son loved Mrs. Hathcoat. My son didn't have any friends & she always complimented on his work saying he was the best in her keyboarding class. He always talked about her. She definitely made an impact on my child.

Jamie taught both of my children at Magnet Cove. She was always so pleasant and so nice to my children. Her smile and comments regarding Logan and Sydney will be missed. Go rest high on that mountain, your work here on earth is done.
