“ I was saddened when I read that Jane had passed. I will remember Jane mostly as a teen who was in my class in the band and the trips we took and the fun we experienced as teens. We also experienced French class together which was foreign to all of us! Jane had that smile on that pretty face of hers all her life. She was the one who got our class reunions together and I appreciated all the hard work she did for that. Gary, my deepest sympathy for the loss of your sweet Jane. I know it will be hard but family and friends will see you through.

“ *For 45 years I have had the honor and privilege to be called a daughter to her. She loved unconditionally. She would scold you in one sentence and tell you she loved you in the next. Feisty , funny, fierce! Mama Jane will forever hold a special place in my heart. Love you Pop Gene , Michael, Cindy and family. Prayers for strength and peace through many days ahead.*
