

## Janet Lee Clark

September 30, 1964 - June 21, 2021

Janet Lee Clark was born to Bob and Frances Clark September 30, 1964 in Searcy, Arkansas at what is now referred to as "the old Rogers' Hospital". She lived in Bald Knob, AR until she left for college at the U of A in Fayetteville, finishing her bachelor's degree in Communications at UALR in Little Rock.

Janet was very much a "people person" and her personality won her lifelong friends wherever she went. It was a delight to be in her presence because she would connect to you with her funny wit, pleasant conversation, open, sincere interest in being a friend. Janet's loyalty and love to a large circle of friends from all walks of life created a bond that was seldom broken.

Janet's love for animals was second only to her love for her friends and family. She loved dogs and adopted many rescue pups through the years. She loved horses, without fear learned to ride at an early age, later owning and showing Arabian horses. She had a flock of Orrington chickens ( a large, colorful breed) and shared the overflow eggs with neighbors and homeless shelters.

Janet loved to travel and so enjoyed the beauty of God's creation in every new place.

Janet worked for the Arkansas Department of Information Systems where she served on Governor Hutchinson's accomplished initiative to provide broadband to all public schools in Arkansas. Her co-workers became her

friends and she received great support from the people at DIS during her 5 1/2 year battle with ovarian cancer.

Janet is survived by her beloved parents Bobby Joe and Frances Clark, her brother Greg Clark (Tammy), her niece Carmen Langston (John Paul) and Grandniece Lilly Johnson, niece Cassie Taylor (Mic) and their children Paeyton and Luke, nephew Hunter West (Kara), Uncle Bruce Worden of Memphis, Aunt Helen D'Angelo of Jacksonville and many, many beloved friends.

A celebration of Janet's life will be held on Friday, June 25, 2021 at 2:30 p.m. at the Powell Funeral Home Chapel. A visitation with the family will begin at 1:30.

Arrangements are entrusted to Powell Funeral Home, Bald Knob - Judsonia.

“ I will never forget how wonderful Janet always treated me as a young kid, as her and my Uncle, Lane Wilson were best of friends. She rode horses and fished with me, and those are memories I will always cherish. She never treated me as a kid, but more as just family. Prayers for all her friends and family. This world needs more Janets!

“ When I was a teenager, I was Janets babysitter while her usual babysitter was on vacation. She was a beautiful, blonde, engaging and intelligent 4 year old. Though the child of a long-standing prominent family( great grand father was the local dr that delivered my mother who is now 90), she was never entitled acting-she exemplified all these gifts her entire life. She was a testament to the good character of her parents and family history in our town. My heartfelt condolences to Bobby Joe and Frances, a loss words cannot express, and to her brother as well as extended family.

“ Janet moved in next door to us a few years ago and it didn't take long to see what a sweet, kind, genuine person she was. We shared talks, eggs and vegetables over the fence. The grandkids loved petting her horses and she often let us take them to gather eggs. We were honored for her to share this little piece of her life with us and be our neighbor! She was an incredible neighbor and a precious person. We were proud to get to know her for the short time we did and we are genuinely going to miss her! Our hearts are with the family and we will continue to keep you in our prayers.

“ Janet and I started our friendship 30+ years ago when we worked at the Daily Citizen together. Yes, she did love adventure, traveling, live music and her animals. A absolutely beautiful soul. I'm heartbroken and will miss her. Prayers of comfort for her family.

“ Janet was a dear friend, a very incredibly talented co-worker in a very close knit group that worked at the Department of Information Systems, State of Arkansas. I had the good fortune to work with Janet daily and share experiences within our department. There were more quiet times when we 'just talked', sharing personal experiences. These are the times I will hold fast. Her smile was infectious....you just had to smile when you saw her, even on her difficult days. The eight years I worked with Janet are filled with wonderful memories. Civis Illustris. numquam effluebis

“ Janet was beautiful inside and out! She could hop on a plane, go white water rafting all by herself. She loved to travel and I was fortunate to go to Hawaii with her and others. She was so brave and so strong. Her smile could light up a room. Prayers for her family and friends. She sure loved everyone.

“ We have been praying for Janet and you during her time of illness. We know your loss of Janet is something you cannot understand. It is hard to accept the loss of a child. We just have to leave our life in the Lords hands and we have to trust the Lords will. that what ever happens it has to be the Lords will. May God bless you and keep you and may his face shine upon you and give you peace if that is possible. We love you all.

“ My heart is broken. I hired Janet at the State in 2010 and she was so much more than my co-worker she was a dear friend. The best was our trip to Hawaii in 2018. She stood by me during my cancer in 2018. She inspired me so much. She was such a joy and loved by so many. Heaven got their angel and it's really left a void here. My thoughts and prayers are with you. Loved her so much Nancy Jauernig
