“ Sorry to learn that Janet left us.

Janet and I both played saxophone in the BKHS band. Took us a little while to figure out some of those tunes like Mission Impossible theme and Wendy but after we got our parts down, we made some pretty good music back in the first few years of BKHS band.

“ My momma, Janet, there are so many words that can describe you because you were such an amazing woman! Beautiful, intelligent, strong, gracious, giving, compassionate, loving, and the list goes on... But the two words that mean the most to me right now are Mother and Nana! Madison will not have memories to keep to remind her of you, but she will know stories! Stories of how Nana would always sneak her sweets when momma and daddy didn't want her to have sweets yet because we felt she was too young. How Nana made the sign of her name at her first birthday party because Nana loved to do crafts. Madison will grow to always know what kind of woman her Nana was! We will always keep your memory alive and we will see you in Heaven one day!

“ You will be missed by so many. I can't believe you are gone. I'm so proud to be a part of your family. You raised great kids that loved you dearly. You were so smart, beautiful, and talented. I loved to see you smile. You were always there for anyone that was in need or just needed someone to talk to. I'm so glad that Albry was able to make memories with her Nana, she loved you so much. We will miss you terribly. I love you!

“ Many of us consider you a second mom. The way you took us into your home and treated us as one of your own will never be forgotten. Selfishly I feel sad that you are gone and you never got to see Axl in person. I take comfort in knowing where you are now. No longer in pain and walking the streets of gold! You impacted many people and their lives. I'll never forget the teachings on Revelation! I pray for peace in your children's and grandchildren's lives. You will be missed. It's not goodbye Mama. It's, I'll see you when I see you.

“ Janet and I remained dear friends throughout all our years I'm school at Bald Know and recently reconnected. All she talked about was how proud she was of her children and grandchildren and how much she loves each one of you. I'm saddened for each of you and your tremendous loss - there's nothing like losing your Mama. However, I believe it was well with her soul and you and I will see her again if you know Jesus as your personal Lord and Savior. I ask God to love on each one of you including her precious sisters Rita, Mickey and Everett her Dad to comfort and strengthen you in the Lord in the days ahead. I rejoice with Janet because she was promoted and she's happy, healed and whole dancing around the throne of God.
