“ Sue always made me feel loved. She was not afraid to tell me that she was proud of me and the choices I have made. She loved my children, Jamie, Stephen, Austin, Madison and Matthew. And was so proud of my husband Doug and the love we share. I will miss you Sue always, I love you.. Theresa

*I remember a beautiful day when, Sue was crying to me that she was in love with my uncle Buddy, but uncle Buddy kept on saying that he's too old for her. Sue asked for my help in trying to get Buddy to give her a chance because she loves him so much. So, I did help her and I told uncle Buddy that he should give her a chance, and not let age stand in between them, if he feels the same way as Sue. I got them together and I had a friend with Sue for life. I dearly loved her. She was like having a big sister I never had. I could ask her for advice and she would give good advice back. Sue went on to have two beautiful girls. It's a shame that Randy didn't get to meet Buddy her dad because he went on to meet the Lord. But, one day she will get to meet him. I will miss Sue greatly. But, I know that it's possible not going to be too long that I will see her again as I am already 65 myself. So, till I see you again Sue, I love and miss you very much. I wish I could have been there in your celebrating of your life but I have to work on weekends at my job and can not risk losing my job. Or I would for sure been there. Love you till I die Sue.
