

Jason Anderson

June 27, 1970 - November 13, 2022

Jason Eugene Anderson was born on June 27, 1970 to Eugene and Patricia (Kemp) Anderson in Visalia, California. Jason passed peacefully in his sleep on Sunday, November 13.

Jason loved collecting antiques, hot wheels, pocket knives, and pressed pennies. You could find him always working on something, whether his home or his vehicles. He held on dearly to things of great sentimental value to him. He cherished his history and loved to share it any moment he could. Jason loved to sing and would often express his love through song.

He is survived by his four wonderful children: Jason Anderson, Elizabeth [Wesley] Doom, Gabrielle Anderson, and Isabella McEuen; 4 grandchildren whom he adored more than anything: Coraline Anderson, Emerson Doom, Madeline Anderson, Finley Doom and was happily expecting baby Charlie Reaper in January; his mother, Patricia and his sisters, Angie Morris and Renee Evans and countless cousins, nieces and nephews, and extended family members.

Jason was preceded in death by his father, Eugene Anderson; his brother, John Anderson; his grandmother, Mildred Anderson; uncles David and Daniel Anderson; and Great Grandmother Ira Pelts, one of his favorite humans of all time.

Memorial service will be privately held by his immediate family.

Arrangements are entrusted to Powell Funeral Home of Woodruff County.

“ I always enjoyed hearing Jason sing "Jesus Settled It All"! When he used to drive the church bus, he really kept the children entertained on the ride. He was especially funny on his videos he used to post as an alter ego. He will be missed. I know the grandchildren will all miss their Pap!
