“ To Christopher and the Langely Family,

*Please accept my sincere condolences on the sudden loss of Jason. He was a wonderful person to work with and just to know in general. I know he was a fan of the opera, because of a passing hello at a Kennedy Center performance and acknowledgement that he saw me in the audience at another show. I will keep you in my thoughts during this difficult time.*

*With symapthy,*

“ To the Langley family, I never met Jason, but if he was anything at all like Travis, then I knew him as a good man and am so sorry for your loss. No one can comfort you but God, Himself, can help you to bear your burden and look forward to seeing him again. May God give you strength to move on and blessings abounding!
