“ So sorry for your loss. He had so many ups and downs in his short life, may God hold him in his arms and comfort your hearts. It's so hard to lose a child and there is nothing anyone can say to make things any better. Try to hold onto God has a bigger plan for him in heaven now. I remember the good old days when the boys were younger and Clayton , Jacob, Ricky, Jayme all sit around the table on a snowy day and me cooking grill cheese sandwiches for all of them by the plates, only for them to go out again in the snow. Those were great memories and fun times for all of them young guys. Remember the good times and may God bless you all. Sandy Blake / Claytons Mom

“ Jayme was such a good boy when I taught him in 7th and 8th grade. He was kind and always had a smile. I don't think I ever remember him being in a bad mood. I will think of him often and remember his friendliness and kindness . I am deeply saddened by his passing.

“ I had Jayme my 2nd year of teaching. He was in my 9th grade physical science class, far left row, 3 seats back. What I remember most about him was his infectious smile and ready laugh. He was the type of kid that you couldn't help but like. I am very sorry to hear of his passing. As a mother to 2 boys, I cannot imagine what it is like to lose a child, but I know and trust that God will comfort you in your time of great need. Praying for the family at this very difficult time.
