“ She was such a special lady in the Church and out. She visited us regularly in the years when my Mom could no longer attend services at First Baptist. So kind, brave, and capable, am glad I got to know her a little bit.

“ Condolences to the family. She was a kind and gentle lady who raised a wonderful family. Our community needs more of the humility and quiet dignity she expressed. Special thoughts for my classmate Rae Ellen at this time.

“ *Grandma Jean was a beautiful lady. She was a shining example of a Christian woman. I never had a conversation with her that she did not speak of her love for her family and her great love for the Lord. She inspired me. She will be greatly missed on this earth. Much love to all.*
