“ *Jeanetta will b missed by so many people. She was my sister's
Mother-n-law and she was always nice to me and my boys. My
youngest Logan even went to stay wth them for the summer wth
Sam. She always had kind words to say to to everytime she seen
me. She was encouraging when I was trying to lose weight. I love u
Jeanetta. Please tell my grandmothers hello fo me and save me a
spot.*

“ Bob and family, so sorry to hear of your great loss that can only be Heaven's gain. I would like to share a memory that only scratches the surface of the giving, thoughtful person that Jeanetta was. Having gone to Larry and Sue's to play music one night, I noticed a beautiful (large) angel figurine in their home. I commented how pretty it was and Sue said, Oh that's yours, Jeanetta sent it to you. I was so surprised and taken back by her generosity. You had been to my house with Larry and Sue for music, and Jeanetta had apparently observed that I collected angels, so she sent me the largest one that I (still) have and continue to enjoy. In time, I learned that Jeanetta was a person who followed our Lord's example -- freely giving of herself to serve others. Countless lives have been touched and blessed by and through her seemingly tireless efforts. Your family is in our thoughts and prayers. God Bless.
