“ I was in an investment club with Jeannette several years ago. She was so smart and so talented and we all loved and respected her in that club. She was truly a woman who left a wonderful legacy in this Searcy area and among all the folks who knew her. We have the family in our prayers.

“ Rod Brewer was kind to send word of Mrs. Baggett's passing. Dr. Baggett I wanted to let you know that your family was a great influence on me when I was a student. Mrs. Baggett was a large part of that good ministry. She was always kind and gracious to me. She was a Proverbs 31 wife/mother in every meaning of what that chapter could mean about a wife/mother. May God bless you and Rosemary and Robert and all your family.
