I really hate seeing this. Jeff and I were good friends. He worked for Leland PD and I was K9 for Greenville PD. He made it a point to call for k9 every chance he got so I would come and hang out with him. When I wasn't working I would ride with Jeff just to see what we could get into. I asked someone about Jeff just last week but they haven't heard anything about him either. He will be greatly missed. My condolences to his family.

It has been many years since I last saw Jeff. But to hear of his passing makes it seem like last week. His energy was contagious and his smile just made you feel good. May God shine his mercies to his family and comfort them and let them remember his love.

So sorry to hear this. Prayers of comfort for the family. Jeff and my younger brother, Eric Campbell (he passed in 2012) were good friends in their teenage and early adult years, in Leland, MS. There were many nights we sat around my mom and dad's home just talking and having refreshments. He was always telling a good story and kept us laughing all the time. I know he will be missed. “ Very sorry to hear of his passing. I was working for DRMC Ambulance Service when he worked for Leland PD. I always liked it when he was an officer on our scenes. He treated people with respect, even those that didn't really deserve it. Rest in peace Sir.

“ Jeff came to work at SPD exactly 1 week to the day after I arrived. Over the next 15 years Jeff and I worked together and became good friends. I count my time at SPD as the best 15 years of my life, and almost all of my favorite SPD stories start with "this one time, me and Jeff...." He could tell a story like no one else. I will miss you brother.

“ Sincere condolences to your family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “ Jesus plainly told her: “I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.

“ *Jeff and Denise would come to our house when we had get together for BBQ in summer. Alot of the time Jeff would bring a food to cook. He made the best fried pickles, bloody Mary's, jalapeño steak bites. They were usually the first to arrive and the last to leave and Jeff called me his Saturday night wife - I am so glad that I called him couple weeks ago to tell him I loved him. I know I will see him again but this world is a little sadder without him in it. Fly high Jeff and I will see you soon.*

“ I met Jeff when he first came to work for SPD. He was the kind of guy that could make friends with anyone. And..... do anything. He was pretty amazing. Early on we often talked behind his back questioning his stories. Some of the most far fetched you have heard. Always that guy that has been there done that. Then come to find out, his story would be true! He had been there and he had done that! Jeff would give you the shirt off his back if you needed it. I remember once when we had the Arkansas Municipal Police Association Convention in Searcy. Jeff asked me, what can I do to help you. I laughed and said I need door prizes. He said what kind. I said I don't know, a BBQ grill. 30 minutes later he calls me and ask where I wanted the grill. A brand new grill! He says hey we need to let people know what kind of place Searcy is. They need to know that we have a great community. I said thank you and he said what else you need. I laughed and said, a boat. Reminding him that Chief JR Thomas had given one away as a prize when he was the incoming president and hosted the AMPA. Well I'll be dog gone , by the next day he had a boat and trailer to give away. But not only that; the boat needed some paint. He stripped, primed and painted that boat trying to have it ready in a week. It was named Duck Nut. He loved this community and his friends and family. Great story teller, could cook anything. My only regret is not being better friends outside of police work. I'm better having know you Jeff. I don't know how exactly Heaven will be but I hope I live on your street of gold. You will be missed Jeff.
