“ Hello Brian-- just heard about Jennifer and wanted to let you know how sorry I am for your loss. Your family has had way more than your share of grief and my heart aches for you. Please know that your entire family has a special place in my memories and in my heart. All those high school days spent at your big white house, Jennifer was always nice to me and made me feel welcome. She was beautiful, just like your mom and sweet like your dad. Hoping you know that many people still care.
