“ Well..now at rest and peaceful I pray. Your crazy self will be missed. The big contagion grin you carried so proudly when we saw each other. The goofy times at the apartment after work. Though time moved us away from one another, your family has always held that special place in my heart. It seems as somehow life never really saw fit for us not to connect by at least family in a distance. God bless you my friend.

When Jeremy was 15-16 yrs old, he and I took square dance lesson in Bald Knob at what use to be Crockets Cove. I was 46 yrs old at that time. We became partners and I would pick him up and drive us to dances. We even went to state convention together. He was so polite and such a sweet young man. He was always respectful and didn't seem to mind that I was old enough to be his grandmother. So sorry to hear that he is no longer with us.
