“ I love you to this day, Jeremy. You will always take up a huge place in my heart. You made a difference in my life and blessed me with Carissa and Blake and then our kids, Dillon and Bailey. I won't pretend I didn't long to hold you every day but I do understand the pain that was felt. I forgive it all and I pray for your family to do the same of me. I will forever miss your guitar playing and singing silly made up songs and I hope that you have regained your beautiful smile. I love you so much!
